#### **Public Comments**

Each speaker is given 3 minutes to address the Board. Comments may be made on almost any matter related to the operation of schools. Each person appearing before the Board will be treated with courtesy and respect, and the Board requests the same in return. In light of the privacy of personnel and student matters, commenters are strongly discouraged from speaking about individual staff or students during public comment. Commenters are instead encouraged to first raise such concerns privately with the Board President or Administration. The Board, however, recognizes each commenter's First Amendment rights; thus, it will not prohibit commenters from speaking about individual staff or students, subject to well-recognized exceptions under the First Amendment, such as obscenity, threats, fighting words, or incitements to violence.
